North Eugene High School Core Values

Equity, Academics, Respect

- We support equitable outcomes for all students.
- Every student is an important member of our learning community.
- We foster a culture of respect and trust.
North Eugene High School
At-A-Glance

Equity, Academics, Respect

- Student achievement is higher than the reported graduation rate: 74.2% of North students were eligible to graduate on time.

- Students who start with us in 9th grade have a higher graduation rate: 79% of freshmen graduate in 4 years.

- North's five-year graduation rate is 83.8%, the second highest in the district.

- North performs higher on Reading, Writing and Science state exams than the Oregon average.
Our Commitment to You

Equity, Academics, Respect

Your student will...

- Graduate career- and college-ready.
- Experience a safe and supportive learning environment.
- Engage in rigorous coursework.
- Develop strong peer and teacher relationships.
We are an International Baccalaureate World School...

IB Mission: Vision and Values
With the end results always in mind...

IB Learner Profile: Vision and Values

A student graduating from North Eugene will be...

... An Inquirer
... Knowledgeable
... A Thinker
... A Communicator
... Principled
... Open-minded
... Caring
... Risk-takers
... Balanced
... Reflective
North’s Unique Offerings

- Year-long integrated and articulated Social Studies/Language Arts block
- Students intentionally scheduled for Math, Science and World Language options with same teachers and student groups
- Diverse student population provides multiple perspectives and experiences
North’s Unique Offerings

- Outstanding Career-Technical Education programs to provide students with real-life experience
- A comprehensive International Baccalaureate Diploma Program open to all students
- Advanced Placement and College Now options
- Open Academic Time and additional supports
We provide an International Baccalaureate education for all students.

Creating a better and more peaceful world...

- All students will take IB Literature and IB History in grades 11/12.

- Students will have access to IB courses in every subject area: Literature, History, Science, Math, World Language and electives.
We provide an International Baccalaureate education for all students.

Creating a better and more peaceful world...

- Students can pursue certificate tests or the full diploma
- All IB classes are designated on students’ transcripts— an important distinction for colleges and scholarship opportunities
Advanced Placement and College Now

Equity, Academics, Respect

Other options exist in AP and CN!

- **AP**: Students enrolled in AP courses may test in May. Many colleges offer credits for scores of 4 or higher.

- **College Now**: Dual credit available (North and LCC) for no cost to students and most credits are transferable to a 4-year college.
Support for all students to achieve at high levels.

“The science teachers are caring here, always willing to help the students.”

“The science classes are full of variety and the teachers have a certain love for the classes which makes for a fun-filled class.”

“The science teachers are passionate about what they teach and it motivated me to succeed.”

“The science teachers are great with working with anyone’s situation to make you succeed.”

“I like how hands on the science classes are and the balance between written work and hands on work.”

“The teachers are all unique in both their teaching styles and their personalities, making class more interesting.”

“The science classes are really in-depth and complete.”

“You really get back what you put into your science classes. It’s a lot of work sometimes, but I have (and still am) learning a lot.”
