

NEHS Principal Update

Principal's Note

While hard to believe, this week begins our fourth week of school for the year. If you have not already, please become a parent Observer in Canvas. This gives you the opportunity to check grades and progress in your student's classes. If you have any questions, please reach out to individual teachers, your student's counselor, or a grade-level administrator.

This week also brings Homecoming! Below are the Spirit Week activities, culminating in Friday night's game as well as the Homecoming dance on Saturday evening. We are looking forward to a great week!

Take care!

We have five days of school this week, culminating in an early release, assembly-schedule Friday. This week is an Advisory schedule Wednesday.

IB Learner Spotlight

The IB Learner Spotlight for September is 9th grader Alala Bradley for the trait of Communicator!

Alala is excellent at advocating for herself. She asks great clarifying questions, confirms info that she may have missed, and asks for help when she needs it. Traits that we all want our students to have!
